

THOUSANDS OF TONS OF BOMBS CRASH ON GERMAN CAPITAL

MUCH DAMAGE ADMITTED BY BERLIN RADIO

R.A.F. Continues Non-Stop Allied Aerial Offensive Against Western Europe

19 PLANES ARE MISSING

By the Associated Press
BY RICE YAHNER
London, March 2—(AP)—In a thunderous prologue to an invasion of Europe, the Royal Air Force's monster bombers last night gave Berlin the heaviest single air raid ever heaped upon the German capital.

The day and night offensive by the RAF and by United States heavy bombers which culminated in last night's blaze of destruction over Berlin was described by Capt. Harold Balfour, under-secretary of state for air, as "preparing the way for United Nations forces to invade Europe."

It was estimated that last night's great fleet of four-engined bombers dropped probably 900 tons of bombs, including two and four-ton "block-busters," on the German capital—twice the tonnage the Nazis poured on London in any single night of the attacks of 1940-41. Nineteen planes of the huge fleet failed to return from that attack and raids on western Germany.

The attack on Berlin was described as "a heavy, concentrated assault" carried out in clear weather, and the results were said to have been good.

"Berlin got it heavier last night than it has ever had so far," Capt. Harold Balfour, under-secretary of (Turn to Page Nine)

Bad Weather Helps Shield Jap Convoy

Fourteen Ships Move Westward From New Britain. Toward Guinea

PURPOSE UNCERTAIN

Allied Headquarters in Australia, March 2—(P)—A 14 ship Japanese convoy, one of the largest ever assembled by the enemy in this sector of the southwest Pacific, moved westward from New Britain toward the New Guinea coast today as bad weather delayed Allied airmen waiting to strike at the armada.

A communiqué from General Douglas MacArthur's headquarters said the convoy was last sighted off Talasea, on the northern coast of New Britain and about 175 miles west of the big enemy base at Rabaul.

While its destination was still uncertain, the convoy's position was roughly 250 air miles from the Japanese stronghold of Salamaua and Lae on the north east coast of New Guinea.

VICTORY FUND GOAL

Pittsburgh, March 2—(P)—Clarence Stanley, chairman of the Victory Fund Committee of the second area, Fourth Federal Reserve District, said today the 23 western Pennsylvania and northern West Virginia counties in his area will be assigned a goal of about \$520,000,000 in the drive to start April 12. The drive is designed to sell \$13,000,000,000 worth of victory bonds in the nation.

Hobbs Bill To Go To House

Washington, Mar. 2—(P)—The house rules committee cleared the way today for a house vote probably next week on the Hobbs anti-racketeering bill which has been bitterly opposed by organized labor.

Chairman Sabath (D-Ill.) said there was no roll-call vote on the committee action, but he added the voice vote was not unanimous.

The bill would amend the 1943 anti-racketeering act by specifically defining robbery and extortion in interstate commerce. The new definition, labor spokesmen have complained, would make labor unions subject to prosecution for picketing or other lawful activities.

An investigation of the entire field of labor relations was projected in congress today as two house committees drove ahead with "work or fight" and other labor legislation.

Rep. Ramspeck (D-Ga.), ranking majority member of the usually inactive labor committee, predicted that body would order a general labor study next week in response to his request to chairman Norton (D-NJ).

WAR BULLETINS

London, March 2—(P)—In a broadcast from Moscow, the official Soviet news agency, Tass, took the Polish government-in-exile to task today for insisting on post-war establishment of the Polish-Russian frontier as it existed prior to the start of the conflict.

Cairo, March 2—(P)—American heavy bombers attacked Naples yesterday, dropping bombs on the miles and dock area, and brought down an Axis glider which opposed them, a Middle East air communiqué said today.

Ankara, Turkey, March 1—(Delayed)—(P)—The appointment of Dr. Augusto Rosso as Italian ambassador to Turkey has been cancelled because of German protests, it was reported authoritatively today, and Raffaele Guariglia, formerly the Italian envoy to Paris, has been named to the post.

London, March 2—(P)—A full-loaded Axis tanker has been sunk 500 miles off Cape Finisterre on the northwest tip of Spain, through the team work of a United States Liberator bomber and the British cruiser Sussex, it was announced officially today.

London, March 2—(P)—Maj. Gen. Harry C. Ingles has been named deputy commander of U. S. army forces in the European theatre of operations, army headquarters announced last night.

Washington, March 2—(P)—The navy reported today that American dive bombers had attacked and started fires in the Japanese air base area at Munda on New Georgia island in the Solomons Monday.

New Delhi, March 2—(P)—Heavy and medium bombers of the Tenth U. S. Air Force have attacked the strategic Gokteik viaduct between Mandalay and Lashio in Burma, damaging it sufficiently to cut Japanese rail communications to troops attacking Chinese defenders along the Burma-Yunnan border, it was announced today.

OBJECTIVES IN MARETH AREA ARE ATTACKED

Capture of Sbeitla, 18 Miles From Town of Kasserine, is Announced in Communique

AIR ACTIVITY INCREASES

BY WES GALLAGHER
Allied Headquarters in North Africa, March 2—(AP)—Allied troops have hurled back all of General Jurgen von Arnim's attacks in northern Tunisia, knocking out 24 German tanks in three days and killing at least 600 Axis troops, while in central Tunisia the Allies captured Sbeitla and drove on three miles farther east.

In one of their most successful days in the air in this campaign, Allied air forces shot down 25 Axis planes yesterday, an Allied headquarters communique announced.

The Germans made two more attacks yesterday toward Beja, west of Tunis and a short distance south of the Mediterranean coast, but were driven back after losing six tanks in one action.

Some 20 miles to the south, Americans and British struck out with a counterattack northeast from El Aroussa, killing at least 300 Axis troops and wiping out some machine-gun posts, front reports said.

Advices from the front reported an estimate that another 300 of the foe had been killed in fighting in the nearby Medjez-El-Bab-Goubelat area.

Meanwhile American troops were advancing on Field Marshal Rommel's trail, entered Sbeitla, Kasserine and Feriana. Field reports said the three towns were occupied without fighting.

In the far south, the war bulletin said, fighters attacked objectives in the Mareth area, but there was no announcement of land action.

On the northern Tunisian battlefield, where Axis forces were seeking to drive on Beja to flank the Allied base of Medjez-El-Bab, the communique said the attacks had lost weight.

As the enemy attacks in the north lost their momentum, Allied headquarters said, "details of enemy casualties during the past three days show what he has paid a heavy price in men and material and has been held in all sectors. A considerable number of enemy tanks has been destroyed."

There was widespread Allied air activity, including two raids on Palermo, Sicily, by flying fortresses and attacks in Tunisia which ranged from another bombing of (Turn to Page Nine)

Rejection Of Nomination Is Predicted

Harrisburg, Mar. 2—(P)—Senator Elmer J. Holland (D-Allentown), opposing the appointment of Dr. Frank Parker to the Public Utility Commission, predicted today the Republican majority would be unable to muster the required 34 votes necessary for confirmation.

Senator B. B. McGinnis, Democratic floor leader, said the minority probably would caucus during the day to decide its attitude on the matter, explaining "most of our men just don't know the man. They want to find out more about him."

Republican Leader Weldon B. Heyburn has announced he plans to bring up the Parker nomination despite the fact his party has only a 32-18 margin and needs minority support to obtain the needed two-thirds vote.

Holland said on the senate floor last night that Dr. Parker, a University of Pennsylvania professor, went into eastern Pennsylvania Federal Court "to have himself declared a bankrupt" but that the move was opposed by Frank Glatfelter, deputy receiver of the Lansdowne Bank and Trust Company.

The senator said Glatfelter asked that "Dr. Parker be denied the discharge of his debts," adding: "The upshot of the whole matter was that Parker was granted his discharge—and he now stands a bankrupt."

Holland previously charged Parker served as a paid witness for utility companies. Governor Martin in nominating the professor said he was "a recognized expert" in the public utility field.

Unfair Price Squeeze and Quota System Blamed For Situation

PACKERS FACE RUIN

Washington, March 2—(P)—The senate agriculture committee was told today that "the worst black market in meat the nation has ever known" is threatening the public with "all the dangers inherent in diseased animals."

Saying that meat packers at the same time are facing ruin, Wilbur L. La Rue, Jr., general counsel for the National Independent Meat Packers Association, blamed what he called an unfair price squeeze and quota system and told the committee "it is tremendously important" that the government insure a maximum production of animals and a maximum use of processing facilities.

La Rue quoted the association's president, George A. Casey, as saying that the millions of dollars the agriculture department has spent to protect the public from diseased animals will be lost "unless we can stop the indiscriminate slaughter of animals on every farm and under every tree."

Animals suspected of bangs disease and tuberculosis, he added, (Turn to Page Nine)

One Dead in Explosion at Bristol Plant

Bristol, March 2—(P)—One person was killed and 15 others injured last night in a series of explosions and fire that wrecked one of the 60 buildings at the huge Rohm and Haas Chemical Company plant in this industrial community about 12 miles from Philadelphia.

Firemen battled flames for about six hours before they were extinguished. Heavily-armed soldiers arrived at the scene while the fire still burned and threw a guard around the plant, spread over a quarter-mile-square.

One man told of being hurled through a window in which panes had been shattered. Many of those injured were sprayed with molten plastics used in the manufacture of vital war materials. The first explosion was followed by several less powerful blasts and was felt over a wide area.

All of those injured were company employees except Louis Seifert, 33, a volunteer fireman. About 20 workers were in the building at the time.

Duncan Merriweather, assistant treasurer of the company, estimated damage at "at least \$100,000." He said in a statement that the explosion resulted from "a reaction of chemicals used in the processing of plastic material."

Poonah, March 2—(P)—With only one more night to survive without food to complete his 21-day fast, Mohandas K. Gandhi continued to hold his own today.

The 73-year-old leader was seeing his last visitors today, for at 8 a. m. tomorrow he will return to his status as a political prisoner whom no one is permitted to visit.

Seek Titles To British Bases

By JACK BELL
Washington, March 2—(P)—Permanent transfer to the United States of western hemisphere bases leased from the British will be proposed when the senate takes up legislation to continue the lend-lease program for another year, Senator Tydings (D-Md) said today.

Tydings said he is attempting to draft an amendment which would pave the way for immediate negotiations with the British to obtain permanent title to the bases, which were leased to the United States in exchange for 50 over-age destroyers before this country entered the war.

The committee called Navy Secretary Knox before it today and Connally predicted quick approval of continuing the program. Democratic Leader Barkley of Kentucky said senate consideration probably will be delayed until the house acts on a companion bill.

Decision on Lifting Ban Expected Soon

Washington, March 2—(P)—Senator Guffy (D-Pa.) said today he expects a decision on western Pennsylvania's request to be removed from the Atlantic seaboard gasoline rationing area by tomorrow or Thursday.

Oil Coordinator Ickes and representatives of western Pennsylvania counties have agreed on gasoline production and consumption figures for the area, he said, and now all that remains is for Secretary Ickes to make his decision. Guffy did not predict what the decision will be.

Vote On Farm Workers Bill Delayed Again

Committee Decides to Hear Selective Service Expert

OPPOSITION GROWING

Washington, March 2—(P)—The senate military affairs committee again postponed today a showdown vote on a bill to halt induction of farm workers into the armed services as selective service officials joined the war department in opposition to the measure.

The committee voted to hear testimony from Col. Lewis B. Sanders, selective service expert, at an afternoon session after Sanders presented a statement asserting that passage of the bill would not solve farm labor shortages.

Immediately after the announcement, the committee called Rep. Wadsworth (D-NY) for testimony in support of legislation to provide for total mobilization of the nation's manpower and womanpower. Chairman Reynolds declined congress as about evenly divided on the compulsory use of manpower, but senate supporters of the plan counted heavily on war department pressure.

Wadsworth, co-sponsor of the war service act, and Grenville Clark, New York lawyer and head of the Citizens Committee for a National War Service Act, were called to explain its operation.

Wage Increases Are Granted All City Employees at March Meeting of Borough Council

War's boost in the cost of living was reflected at the meeting of the Town Council last night, when a wage increase for all city employees was granted. Mr. Hampson reported that he had received a petition for a wage increase and that a meeting had been held, attended by nine members of Council, at which time the matter was discussed. President Forest Waite added that the meeting had gone into the matter carefully and had thought that a general 10% increase in pay was fair, due to the increased cost of living. Mr. DeFrees inquired as to the arrangement of the budget and what the cost would be to the city in a year. Mr. Krebs of the finance committee stated that the budget was elastic enough with care by committee chairmen in buying supplies, etc., to allow the increase in the employees' pay. On roll call the increase was unanimously given. Only one member of Council, Jesse Smith, was absent and the resolution was approved with every member present voting.

Reports showed the borough at present has \$71,379.18 in general fund and \$105,006.14 in the sinking fund. Bills amounting to \$14,122.23 were ordered paid upon proper approval.

The report of the borough auditors was received and approved as was the report of the Auditors of the Firemen's Relief Association. This latter report showed cash amounting to \$18,796.15 on hand and securities owned valued at \$74,896.51.

Reports from the Police Department showed that during past month 32 arrests had been made and fines amounting to \$34.15 had been paid. Forty-eight calls were answered during the month and 12 investigations conducted while \$600 in stolen goods were recovered.

The parking meters from January 6 to February 23 collected \$604.61 which did not represent as much of a falling off in receipts as had been anticipated.

The report of the Fire Department showed 15 calls answered in February with a loss of \$11,298. Property valued at \$183,800 was involved in the fires.

Receipts from the Borough Scales amounted to \$31.05 last month.

In line with the work of bringing the various city ordinances up to the minute two were passed on third reading last night. One referred to the licensing of circus and tented exhibitions and the other to the handling of garbage, posing chickens and animals in seething chickens and animals in seething chickens and animals in seething chickens.

Fayette Jury Indicts Five

Uniontown, Mar. 2—(P)—The Fayette county grand jury indicted former State Senator Anthony Cavalcante and five county officials, including the three county commissioners, yesterday in connection with a \$10,000 fee paid Cavalcante for aiding in the settlement of a \$104,000 county debt to the commonwealth.

The jurors reported that they found "definite evidence" of the removal of a page from the county commissioners' minutes books and the substitution of another page, in connection with engaging Cavalcante.

County Commissioners John W. Rankin, Arthur Higinbotham and Michael Karolick, and their chief clerk, Earl Huston, were charged with altering, defacing and falsifying minutes and documents belonging to a public office, and with forging, defacing, altering, withdrawing and falsifying records.

The commissioners also were accused of misbehavior in office and along with Huston, Cavalcante and County Controller Albert Montgomery, with conspiracy.

VIERECK STILL FACES CONSPIRACY CHARGE

Washington, March 2—(P)—By virtue of a supreme court ruling upholding his conviction, George Sylvester Viereck today appeared likely to be released from the District of Columbia jail where he is serving a two to six-year term on charges of making incomplete reports to the state department regarding his alleged pro-German propaganda activities.

However, Viereck is under indictment with 32 other persons and the weekly New York Enquirer on charges of conspiracy to undermine the morale of the armed forces, a statute included in the sedition laws.

STATE BUDGET IS SLASHED TO \$472,457,692

Governor's Message Calls For Bond Issue of 50 to 100 Million For Post-War Work

URGES SLASH IN TAXES

BY RALPH E. WALLIS
Harrisburg, March 2—(P)—Pennsylvania's state government under recommendations of Governor Martin would operate on a slashed budget of \$472,457,692 in the next biennium and at the same time authorize a bond issue of \$50,000,000 to \$100,000,000 for post-war time financial needs.

In submitting to the legislature the first budget in a decade below the half-billion dollar mark, the governor outlined proposals for cutting taxes by \$41,600,000 in the two-year period starting June 1.

He asserted the estimated cost of running the state is \$147,130,639 less than the \$619,588,331 of the present biennium and added department heads would be asked to justify every budget item before legislative committees.

"At a time like this it is essential that the state government be deflated," Martin told the lawmakers in a joint session last night. "Activities not necessary to winning the war or preserving essential services should be eliminated."

He recommended creation of a post-war planning commission.

Since the state constitution fixes the commonwealth's debt limit at \$1,000,000, the proposed bond issue would require a constitutional amendment, needing approval by two legislatures and then adoption at a state-wide referendum.

Martin said a deficit and unfunded obligations amounting to \$71,000,000 "had been discharged" when he assumed office. He forecast "a balanced budget to begin the next biennium regardless of the fact that there are deficiencies of \$8,387,554."

He listed general fund recommendations of \$337,022,155, "a reduction of \$17,884,031 below appropriations" of the present biennium—and set up \$6,775,222 for flood control, fish and game, banking, farm show and milk control special funds.

Savings to taxpayers would result from not re-enacting the four-mill personal property, bank stock, corporate loans and bank share emergency levies and abolishment of the retail-wholesale and other license taxes, Martin explained.

He urged, however, reenactment of the corporate net income, liquid fuels, cigarette, gross receipts and liquor emergency levies.

Contributing toward the tax cut are savings of \$32,000,000 in retirement (Turn to Page Nine)

Withholding Levy Favored By Tax Group

By FRANCIS M. LE MAY
Washington, March 2—(P)—Congressional "Rum plan" backers planned today to tie a "skip-a-tax-year" provision onto legislation imposing a 20 per cent withholding levy against the taxable income of more than 30,000,000 persons earning wages and salaries.

A house ways and means subcommittee approved the withholding levy yesterday, effective July 1, as a means of weekly, semi-monthly or monthly deductions from pay envelopes and checks. The levy would not be an additional tax, but sums collected through hit would be applied to actual taxes as they are now computed. The 20 per cent would include the victory tax which already is being withheld.

Under this or any other plan that congress may approve, all taxpayers still must pay at least the first two installments of their 1942 income taxes, due March 15 and June 15.

The subcommittee bypassed the tax "forgiveness" issue completely for the time being. Chairman Cooper (D-Tenn.) telling newspapermen it was not decided yet whether the withholding in the last six months of this year would be applied to 1942 or 1943 tax obligations.

REDS CRACK LINES BELOW LAKE ILMEN

Over 900 Square Miles Taken And 394 Villages Reported to Have Been Recaptured

16TH ARMY SMASHED

Moscow, March 2—(P)—Returning to the forefront of the Red army's operations against the Germans, Marshal Semenov Timoshenko has driven into their positions on a broad, wind-swept sector of the northwestern front in a sudden thrust that Nazi armor and heavy mortar fire were unable to halt, and has smashed the seasoned German 16th army, the Russians said today.

Report line dispatches indicated that Timoshenko has not had to halt his drive to consolidate his forces after sweeping over 900 square miles of territory and recapturing 302 villages in a sparsely settled countryside.

A special communique last night first told of the successes of an eight-day-old offensive in which 8,000 Germans were reported killed and 3,000 captured.

It was the first official mention of Timoshenko in months and the campaign was his first important effort at northern fighting in this war. His role in the new offensive was interpreted here as an indication the marshal still had Premier Stalin's full confidence.

The retreat of the German westward indicates either that they are weaker than last year or that the Red army has increased its strength with the "double encirclement" threatened by the Russians, meaning that they have a force big enough to form two heavy lines.

It was the first time this winter that the Red army had used the phrase, and to that threat he special communique laid the hasty retreat of the Germans.

Southward, from the south of Orel to points in the northern Caucasus on the Black Sea coast where the Germans were clinging to their remaining positions, slush and water hampered operations of the Red army but west of Kursk and west of Kharkov the Soviet forces continued their mass blows, advancing into more level terrain.

Mr. DeFrees inquired as to the arrangement of the budget and what the cost would be to the city in a year. Mr. Krebs of the finance committee stated that the budget was elastic enough with care by committee chairmen in buying supplies, etc., to allow the increase in the employees' pay. On roll call the increase was unanimously given. Only one member of Council, Jesse Smith, was absent and the resolution was approved with every member present voting.

Reports showed the borough at present has \$71,379.18 in general fund and \$105,006.14 in the sinking fund. Bills amounting to \$14,122.23 were ordered paid upon proper approval.

The report of the borough auditors was received and approved as was the report of the Auditors of the Firemen's Relief Association. This latter report showed cash amounting to \$18,796.15 on hand and securities owned valued at \$74,896.51.

Reports from the Police Department showed that during past month 32 arrests had been made and fines amounting to \$34.15 had been paid. Forty-eight calls were answered during the month and 12 investigations conducted while \$600 in stolen goods were recovered.

The parking meters from January 6 to February 23 collected \$604.61 which did not represent as much of a falling off in receipts as had been anticipated.

The report of the Fire Department showed 15 calls answered in February with a loss of \$11,298. Property valued at \$183,800 was involved in the fires.

Receipts from the Borough Scales amounted to \$31.05 last month.

In line with the work of bringing the various city ordinances up to the minute two were passed on third reading last night. One referred to the licensing of circus and tented exhibitions and the other to the handling of garbage, posing chickens and animals in seething chickens and animals in seething chickens.

Wage Increases Are Granted All City Employees at March Meeting of Borough Council

War's boost in the cost of living was reflected at the meeting of the Town Council last night, when a wage increase for all city employees was granted. Mr. Hampson reported that he had received a petition for a wage increase and that a meeting had been held, attended by nine members of Council, at which time the matter was discussed. President Forest Waite added that the meeting had gone into the matter carefully and had thought that a general 10% increase in pay was fair, due to the increased cost of living. Obituary

MRS. SARAH A. OHRN

Mrs. Sarah A. Ohrn died early Saturday afternoon at her home in Columbus following an illness of several weeks. Mrs. Ohrn had been in failing health for several years but her condition had been critical for only a short time.

The deceased was born December 26, 1854 in Spilsby, Lincolnshire, England, and came to this country with her parents as an infant, the family making their home in Iowa. In 1879 she was married to Ralph Carrier and came to Pennsylvania, living in Freehold township until after the death of her husband in 1917. In April, 1920, she was married to Gustave Ohrn and moved to Columbus where she had since made her home. For many years Mrs. Ohrn had been active in the grange and in church work.

Mrs. Ohrn is survived by her husband and three daughters, Miss Julia Carrier, of Peckskill, N. Y.; Mrs. Clyde Wilson, of Niobe; Mrs. Mary Jackson, of Corry, and a son, Clayton Carrier, of Decorah, Iowa. There are also two brothers, George Melson, of Ferndale, Wash., and Joshua G. Melson, of Pasadena.

Also surviving are six stepchildren: Charles Ohrn, of Westfield; John Ohrn, of Corry; Herbert, of Falconer; Mrs. Arvid Anderson and Mrs. Debs Sorenson, of R. D. Corry, and Mrs. Clifford Casler, of Columbus. There are also four grandchildren.

Funeral services were held at the late home in Columbus on Tuesday afternoon at 2:30 o'clock with burial following in West Lawn cemetery.

JOHN H. SAMUELSON

John Hjalmar Samuelson passed away at his home, 118 Canton street, at 4:04 a. m. today after a serious illness of some weeks. Aged 71 years, he was an active member of the Bethlehem Congregational church.

Besides his wife, Emma Erickson Samuelson, he leaves the following children: Mrs. George Johnson, Miss Evelyn Samuelson, Harry, Milton and Everett Samuelson, Rochester, N. Y.; Carl Samuelson, Rochester, N. Y.; daughter, Edna Samuelson Ristau, preceded him in death four years ago. He leaves, also, 13 grandchildren; two sisters and three brothers: Miss Hilda, Edwin and Anton Samuelson, Sugar Grove; Mrs. Anthony Peterson, Scandia and Charles Samuelson, Warren.

Removal has been made to the Peterson Funeral Home, from where services will be held at 2:00 p. m. Thursday. Rev. Erik Dahlheim will officiate and interment will be made in Oakland cemetery.

MRS. CHRISTIAN MACK

Frances Isabel Mack, wife of Christian Mack, of Jackson street extension, passed away in the Warren General Hospital at 7:10 p. m. Monday following an extended illness. She was born in Mead township March 27, 1902, daughter of the late Simon and Anna Streich.

Besides her husband, she leaves the following brothers and sisters: Mrs. S. Zollinger, South Dayton, N. Y.; William, John and Walter Streich; Mrs. Martha Edwards, Warren; Mrs. Dorothy Fuhrer, Jamestown, N. Y.; George Streich, Chicago, Ill.; also a number of nieces and nephews.

Removal has been made to the home of Mrs. Edwards, 2037 1/2 Pennsylvania avenue east, from where a short prayer service will be held at 1:30 p. m. Friday. Funeral services will follow at 2:30 o'clock at the Emanuel Evangelical and Reformed church, of

This is the Girl from ISOLATION ISLAND

This is Landa Morrison, a girl who knew she had to marry a man she didn't love because her father had left her a code of honor. What happened to Landa Morrison is told in a story as strange as its setting. Watch for this new mystery romance.

Parents Have Lieutenant As Guest In City

Lt. and Mrs. Israel Shulman have arrived from Camp Davis, N. C., for a short visit with the former's parents, Mr. and Mrs. A. Shulman, 120 Pennsylvania avenue east.

Lt. Shulman was graduated recently from the anti-aircraft officers' candidate school at Camp Davis and has been assigned to Camp Stewart, Ga.

Enlisting in the army in April, 1942, at Wilkes-Barre, he was processed at Camp Lee, Va., and assigned to field service with a coast artillery unit. In July, 1942, he received the rating of technician fifth grade and was made a section chief with the intelligence division. Entering officers' candidate school in November, he was graduated from there February 25, and commissioned a second lieutenant in the coast artillery corps.

Lt. Shulman was graduated from Warren High School in 1933 and from Pennsylvania State College in 1936. After a year's study at the New York Law School, he was associated in business with the Triangle Shoe Company in Wilkes-Barre.

Before enlisting in the army, he was attending a government operated machinist's school in Reading.

BEAR LAKE

Bear Lake—Mrs. Ellen Hawkins, Mrs. Ethel Bond and Miss Edith Hawkins of Jamestown spent the day at their home here recently.

Paul VanOrd of Russell, and Miss Grace Reese of the Goshen Road were married at the home of her parents on Feb. 5th. There was also a shower for Mrs. VanOrd at the home of her parents when she received many useful gifts.

Mr. and Mrs. Vincent Goodrich of the Town Line Road are the happy parents of an eight pound son. Mrs. Goodrich was a daughter of Mr. and Mrs. Claude Crumb of near Niobe.

Mrs. Guy Cornish of the Goshen Road was a Warren visitor on Tuesday.

Mr. and Mrs. Leon Cables and Mrs. Ella Strong were Jamestown visitors on Monday.

Mr. and Mrs. John Groves of Panama, N. Y., were recent callers of their uncle F. Woodin at Bear Lake.

Mr. and Mrs. Crandell of the Swamp Road were recent guests

TRAFFIC LINES PAINTED

As a further safety measure the State Highway Department painted 12,058 miles of traffic lines on the highways of the state in 1942. In District 1 in which this county is located 1151 miles were painted.

SEND ONLY \$10

A telephone call from the Motor Police this morning asks that motorists in sending for their license plates only enclose \$10. The blanks in many instances ask for a greater amount but the present action of the legislature changed the law so the license plates for all cars now only cost \$10, so send no more.

INSTALLATION COMPLETED

Work of installing a pump on the high pressure and foam truck at the Central Fire station has been completed and tests will be made this week to determine the actual pumping capacity of the machine. The pump is one of those received from the government for emergency work.

BILL INTRODUCED

Two interesting bills were introduced today in the House of Representatives at Harrisburg, one by Rep. M. J. Root, of Philadelphia, by which the appointment of the State Tax Appraisers would be transferred from the auditor general's department to the Revenue Department. The other would provide for the quarterly payment of taxes instead of the yearly collection.

ROADS ARE ROUGH

County roads at present are rough and some of them are badly in need of repair. The road from Russell to Lander is especially rough and the State Highway Department has placed a number of red flags warning motorists that rough pavement and holes exist. Many roads are also badly heaved by frost and the maintenance crews will have plenty of work to do during the coming summer.

RECRUITER COMING

Rooms in the VFW building at 343 Pennsylvania avenue, west, will again be headquarters on Wednesday and Thursday for Chief Petty Officer White, of the naval recruiting forces. Young men of 17 and older men between the ages of 28 and 50 years will be interviewed; also girls from 20 to 36 for enlistment as WAVES and SPARS and those from 20 to 50 for general duty.

GRAND JURY FINISHES

The Grand Jury for the March term of Court of Quarter Sessions finished its duties yesterday after acting on two cases. In one case in which Fred Durnell was charged with pointing firearms a true bill was returned. In the other case in which John Russell Squires was charged with burning with intent to defraud "not a true bill" was found. Durnell will be tried at the next term of court. Today two men appeared to arrange for their recognition before the court.

ASKING FOR PARDON

William J. Feeny, of the Fox Hill road, petitioner of voluntary manslaughter in the Warren county court has filed an application for a pardon with the Board of Pardons. A hearing will be held by the Board at its regular session on Thursday, March 18, in the Supreme Court room at Harrisburg. Feeny was convicted following the death of a neighbor with whom he became involved in a quarrel.

CHAPMAN RESOLUTION

State Senator LeRoy Chapman has offered a resolution in the Senate today calling on the Office of Price Administrator to boost the price of crude oil from \$3 to \$3.50 per barrel. In presenting the resolution Senator Chapman asserted that "a serious shortage of oil looms and new wells can be drilled by lifting the ceiling". This resolution is of large interest in this section where wild catting is held against prohibitive costs of drilling in untamed fields.

GAVE FIRE TALK

Douglas G. Kropf, chief of the Warren fire department, was guest speaker last evening for the meeting of the North Warren Civic Club, held in the community building. Chief Kropf gave a practical demonstration of everyday fire hazards, methods of preventing and fighting such fires. Concluding, he discussed the new high explosive bomb being used by enemy agents in today's war on civilian populations. Committee reports were presented and the meeting concluded with refreshments served by the social committee.

RESERVE CORPS DRILLS

The weekly drill of the Warren platoon of the Pennsylvania Reserve Corps was held at the State Armory last evening with attendance of almost 100 per cent. Lieut. Dickinson has announced that he has been authorized to enroll up to 100 youths of pre-induction age who desire to take advantage of the opportunity to receive instructions in army technique which they will need if inducted into the service. The boys would not be enlisted into the Reserve Corps but would be permitted to attend the drills and classes that are held at the Armory.

Father and Son Week Widely Observed Throughout Boro

A twin basketball ball at the Y Saturday evening finished the community-wide observance of the National Father and Son Week here in Warren. Boys were admitted free of charge to the game if accompanied by their father or an adult male friend. In the afternoon they had first demand on the Y facilities from 1:00 to 5:00, during an "open house" period for fathers and sons.

The week was given a fine impetus on the first day, Sunday, February 21, by many churches, which held special services in Sunday school or the main service in the morning and also in the young people's meetings in the evening.

Well-organized events among these were the morning service at the First Baptist church, Rev. J. A. Davidson, presiding; the First Methodist church, Rev. Wayne Furman, presiding; Trinity Memorial, where boys helped conduct the service, Rev. Pinkney Wroth, presiding; the United Brethren, Rev. Wm. G. Woodward, presiding. The Church of Tomorrow at the First Presbyterian church devoted its meeting to a very well planned emphasis on father and son relationships, at which meeting Mr. Mervyn Ruoss, boys' work secretary of the Y. M. C. A., was the speaker. The two Scout troops of the church participated and music was furnished by an orchestra under the direction of Harry Summers. Preceding this meeting there was a social hour for the men and boys at which the mothers and daughters did the serving.

On Tuesday evening, February 23, St. Paul's Lutheran church and Grace Methodist church both had banquets. At the former one Rev. J. A. Davidson was an inspiring speaker for a very well attended and successful banquet. Rev. Lee D. Smith, pastor of the First Methodist church, Jamestown, was the speaker at the Grace Methodist banquet. He delivered an inspiring address to the large group present and helped make a successful affair even more successful.

Mr. John G. Rossman, city superintendent of schools, was the speaker at the father and son night of the Hi-Y Club at the Y. M. C. A. on Wednesday evening. He presented an analysis of current events both timely and interesting to the boys and fathers present.

A war-time banquet, consisting of shelled peanuts, doughnuts and coffee, eaten by candlelight while

Blackout To Be Last With Time Given

Hard work is being done this week under the direction of Lieut. M. Evan, of the police department on the installing of the new air raid sirens that will be used for the first time in the air raid test Thursday evening.

The test will be started at 8:50 Thursday evening and every household must black out on the first alarm which will be the blue signal. The real blackout, stoppage of traffic and clearing of the streets will come on the red signal which will be a series of short blasts on the sirens.

This blackout from 8:50 to 9:30 Thursday evening will be the last drill for which the time is announced in advance. The State Defense Council reported today. The element of surprise is being eliminated Thursday to enable everyone to become accustomed to the new warning system.

The various Civilian Defense groups of the county are preparing to use all of their training Thursday and the air raid wardens in the city will turn out with their helmets and other equipment while auxiliary police will have their helmets, night sticks, arm bands, etc. The Control Center will be fully staffed and the drill will be complete in every way.

Richard A. Wilson, son of Mr. and Mrs. R. D. Wilson of Mayburg, graduated Feb. 20 from Naval Aviation School at Jacksonville, Fla., with the rating of Aviation Radioman Third Class. After two weeks of radio school he will attend gunners school for 30 days before he enters active duty.

Pvt. Charles Michalegko, son of Mr. and Mrs. Mike Michalegko of Mayburg was recently transferred from the air forces at Kearns, Utah to Seattle, Washington. (Turn to Page Nine)

Mr. and Mrs. Robert Graham returned Monday to Buffalo, N. Y., having visited the former's parents, Mr. and Mrs. Harry Graham, East street, over the weekend. Mrs. Graham was here for a week's stay and was also a guest at the home of Mr. and Mrs. Allen Grosch.

Mr. and Mrs. Gordon Armstrong and son, Grant, of Bradford, spent the weekend here visiting Mr. Armstrong's mother, Mrs. Grant Armstrong, Russell street.

Ralph Ruggaber, of this city, spent the weekend in Ridgway the guest of his sister, Mrs. Leon Carlson.

Miss Sarah Jane McDade, of Kane spent the weekend in the city the guest of Mr. and Mrs. D. A. Smith.

Mr. and Mrs. E. S. Berry, of Kane were visitors in the city over the weekend called here by the illness of William Berry, who left yesterday for the Veterans Hospital at Aspinwall.

James S. Conner, who has just celebrated his 97th birthday anniversary in Jamestown, N. Y., was born at Wrightsville, this county, but went to the New York state town in 1873. Still in the best of health, he did not retire from active business at the Jamestown Iron Works until he was 85 years old.

Mrs. P. S. Tarbox has returned after spending the weekend with Mr. and Mrs. Clifton MacDonald in Oil City.

Twelve Scouts Advanced To Higher Ranks

Twelve local Scouts were advanced to higher ranks at the Friday night meeting of the Boy Scout Advancement Committee of the Warren County Council, according to H. L. Blair, chairman of the reviewing board. The meeting was held in the Warren National Bank Building.

The Scouts who made advancements and the ranks which they attained were as follows: Donald White, Troop 4, Eagle Scout; Donald Branstrom, Troop 14, Russell, Bronze Palm; Life, William Blair, Troop 9; Leland Daye, Troop 4; Charles Swanson, Troop 9; Thomas Hampson, Troop 4, Rank of Star Scout; Lyle Rapp, Troop 4; Jack Farrell, Troop 9; Harry King, Jr., Troop 14; Russell; Joseph Waller, Troop 4; William Clinger, Troop 4; and Robert N. Jewell of Troop 4.

In addition to Mr. Blair the men who served on the Reviewing Committee are as follows: Wm. M. Hill, Ralph Dalrymple, O. C. Tritt, C. A. Babcock, R. L. Brownell, E. F. Branstrom, Rev. E. P. Wroth, J. E. Hazeltine, Elton W. Davis, Clayton Bannon, B. H. White and Chester R. Seymour.

Member Of Troop Four Eagle Scout

Scout Donald White, 120 Redwood street, Warren, successfully completed all the requirements for the rank of Eagle Scout when he appeared before the Advanced Review of the Warren County Council Friday night. Scout White is a member of the First Presbyterian church Troop 4, which is sponsored by the Young Married Couples Club.

Having joined the Troop in October, 1940 at the age of 12 he has made rather rapid advancement through the Scouting ranks until today has reached the highest of all Scout achievements. His record of progress is somewhat as follows: He became Tenderfoot, October 1940; Second Class, November 25, 1940; First Class, January 28, 1941; Star, October 30, 1941; Life, March 6, 1942 and finally his Eagle on February 26, 1943.

In the course of his Merit Badge work he has merited recognition in the following Merit Badge subjects: First Aid, Life Saving, Personal Health, Public Health, Cooking, Camping, Civics, Bird Study, Pathfinding, Safety, Pioneering, Athletics, Animal Industry, Carpentry, Firemanship, First Aid to Animals, Handicraft, Reading, Scholarship, Swimming, and Woodwork.

The rank and badge will be conferred upon Scout White at a meeting of the Troop, Council of Honor, date to be set by the Troop Committee and the occasion will be at a future date.

GETS GO SIGNAL

City's and boroughs that collect from \$25 to \$50 license fees for pinball machines are going forward in collecting the license as Superior Court Judge Charles E. Kenworthy finds them not gambling devices. Judge Robert E. Woodside in Daphin county court concurs in this opinion saying in his ruling: "The fact the player may win the right to play free games in making a high score is not a thing of value and does not make the machine a gambling device, and the fact that it is possible to cancel the free games without playing them does not justify the conclusion that the machines are used for unlawful gambling."

FATHER-SON SPEAKER

Prof. R. R. Young, of the high school faculty, will be guest speaker Wednesday for the father and son luncheon to be held by Kiwanis Club at the Hotel Carver. It is expected, also, that Dr. J. A. Davidson and R. Pierson Eaton, in charge of the group singing feature of the program, will have something of special interest to the boys of all ages. Scheduled at the regular luncheon hour of 12:15, Kiwanians will bring their own sons or a guest son adopted for the occasion and an attendance of more than 60 is anticipated. Since a number of the members have small boys attending the function, Mine Host Wallace has arranged a special "plate" at a reduced fee for the benefit of the youngsters.

Interesting Talk Heard By Foremen

"Psychiatry in Industry" was the subject of a very interesting address delivered last night by Dr. Leonard Rosenzweig, of the Warren State Hospital staff, to the Foremen's Club in regular monthly dinner-session at the Y. M. C. A. President Hilmer Roos presided and introduced the speaker.

D. R. Rosenzweig told of the importance of taking personality factors into consideration when supervisors deal with industrial workers, and further emphasized the values to be secured by industry through regular physical and psychiatric examinations before and during employment. He dwelt somewhat upon the personalities which usually accompany the short-thick and the long-thin body types of persons and how hereditary and environmental factors affect personalities and situations.

As an entertainment feature immediately following the dinner, William Clinger, of the "Y" Boys Division, mystified the foremen with a series of tricks of magic. His program of slight-of-hand was very much appreciated by the audience.

During a brief business session, President Roos announced the nominations committee appointments: George Juline, chairman, Fred Lauffenberger, H. C. Granger, Robert Swanson and Gunard Lundmark. The report of this committee will be received by the Board of Governors, in their March meeting at 7:30 on March 15, at the Y. M. C. A. The Club will install the new officers in April. Announcement was made of the fact that the annual dues are payable in March.

Group singing was led by William Gaughn, with Floyd VanTassel at the piano. The meal was served by a committee of foremen's wives.

KINZUA COPS FROM RUSSELL IN FAST TILT

Culbertson and Prosen led the Kinzua Independents to a win over the strong Russell five with 13 points apiece in a game that was one of the fastest ever recorded in Kinzua between the two ancient rivals. Pearson and Parks assaulted the Kinzuers with 12 and 10 respectively, but it was too late for a try as the time ran out with Kinzua copping the tilt, 38-32.

Report Made On South Street Machine School Interesting

At the regular monthly meeting of the School Board held last evening at the High School some interesting reports relative to the work being done in the machine shop school at the South street building were heard. A check was received for \$948.55 to apply on the school and bills amounting to \$6,252.67 cents for the school were approved by the government. All since the school has been started the sum of \$19,021.85 has been received by the borough for machinery, etc., in the school.

Ray Norris, Jr., supervisor of the school also gave some interesting data relative to work being done at the school for various local plants which went far to show

the high quality of work being turned out by the students in the machine shop school.

A contract for the use of the swimming pool at the Y. M. C. A., six hours per week was entered into. The pool will be used in the training class of young men of pre-induction age.

The resignation of Miss Kuntz, of the Commercial Department was received and her work until the end of the term will be carried on by the use of substitutes.

Bills amounting to \$2,073.79 were approved and ordered paid. Secretary H. M. Mohr reported on the recent convention of school directors held at Harrisburg and his report was highly interesting and of value to the board.

Union Suits New Plan To Aid St. Louis Cards To Pennant

BY GEORGE J. KIENZLE
Columbus, O., March 2. (AP)—The trainer of the World Champion St. Louis Cardinals has a new plan for wrapping up the National League pennant—long underwear for players in chilly spring and sweltering summer, too.

Dr. Harrison J. (Doc) Weaver said today he had bought 144 union suits for the Cards and "if they'll only listen to reason and wear them winter and summer, they'll win the pennant in a walk."

Doc, for two decades a devotee of longies the year 'round, says "union suits will do the players a lot more good" than those vitamin

pills Club Owner Sam Breadon feeds the boys to sharpen their eyesight for night games.

"By keeping out dust and dirt, long underwear keeps players comfortable and in good spirits, and that's what it takes for boys like mine to win pennants," the trainer said.

Weaver became a longie addict at 36 because he "couldn't stand the feel of the goods they put in pants on the naked knee." He has been preaching his union suit gospel to Card players for 16 years to no avail.

This year, however, he figures spring training in the north (Cairo, Ill.) gives him the drop on the boys. Once they experience the luxury of union suits, Doc asserts, they'll be easier to convert to the "never-be-without-them clan."

The trainer wants it strictly understood he keeps his distance from disciples of red flannels or scratchy heavies. After years of experimenting Weaver has found what he considers the ideal union suit.

GOVERNOR'S BUDGET MESSAGE
As usual the budget message as submitted to the state legislature by the chief executive every two years brought praise from the majority, which happens to be Republican this term, and cautious comments from the minority, this time consisting of the Democratic lawmakers.
The budget, the first in a long time below the half-billion dollar mark, outlined proposals for cutting taxes by \$41,600,000 in the next biennium. Other highlights in the message were:
"At a time like this it is essential that the state government be deflated. Activities not necessary to winning the war or preserving essential services should be eliminated."
"It appears to us that the state will collect \$100,000,000 less in taxes than it did in the present period. This is another powerful reason for eliminating non-essentials from state government."
"This is a war-time budget, constructed around the central purpose of enabling the state government to do all in its power to prosecute the war and to prepare for post-war adjustment."
"No one can foresee at this time the obligations which may be imposed upon the commonwealth as a result of the war. For that reason I recommend that the legislature take the necessary action at this session to enable the state to issue bonds so that these needs growing out of the war might be taken care of should the demand arise."
"The commonwealth is in good financial condition to carry out its share in this war effort and to provide adequately for all necessary needs."
CHANCE FOR PRE-INDUCTION BOYS
Young men of pre-induction age in Warren and vicinity have some wonderful opportunities to fit themselves for service in the armed forces which were never available to others who have been drafted in the community. Last evening it was announced that a contract for use of the swimming pool at the Y. M. C. A., has been negotiated by the school board to make it possible to train classes of youths who may expect a call before the war's end.
Along with this announcement comes an invitation from Lieut. Arthur Dickinson, in charge of the local platoon of the Pennsylvania Reserve Defense Corps, to the same group of boys to participate in the weekly drills at the State Armory. Lieut. Dickinson says that he has permission to enroll up to 100 pre-induction age boys to instruct them in army tactics. All that is required is that they have permission of their parents. The youths would not be enlisted in the corps, but would merely be permitted to attend the drills and classes in instructions.
High school boys who anticipate being called into the service at some future date would do well to enroll in both these important projects.

THE NET SPREADS
The great majority, having no part in the income tax process, used to have small sympathy for those supposed plutocrats who complained about its intricacies. Those days have gone forever.
First tens of millions in lower income brackets were made taxpayers, and had to prepare returns. For many the way was made easy by the optional form for \$3000-and-under incomes. Nevertheless, these became conscious that there were complications in tax-paying.
Now, however, a whole new army is about to learn at first hand about another phase of the situation. Every family that pays a maid as much as \$500 a year, whether by the week, the day or the hour, has to keep books and report the payments on the proper Treasury form. Every family that pays as much as \$42 a month rent must decide whether the recipient is "an individual, a resident fiduciary or a resident partnership" or if it is a real estate agent or a corporation. If one of the former, the tenant, on the designated form, must inform the Treasury what he has paid and to whom.
The next time there is demand for simplification of government procedure, it will not be confined to the filthy rich. There will be voices from the rank and file.
The parking meters haven't been doing so bad, in spite of gasoline rationing and the ban on pleasure driving. A report made to borough council shows that a total of \$604.61 was collected from January 6 to February 23.
According to reports made at the March meeting of the board of directors last evening that machine shop school at the South street building is paying dividends to the local district as well to Uncle Sam.
How March came in may be a military secret but residents of Warren and vicinity can attest to the fact that February went out with a roar.
In accordance with rationing news items will become shorter and more informative.

Washington in Wartime
By JACK STINNETT
WASHINGTON—Sen. Robert R. Reynolds, chairman of the Senate Military Affairs committee, recently tossed another soft tomato at the bespattered heads of Farm Secretary Wickard and OPA Administrator Prentiss Brown—said tomato being the threatened shortages of vitamins and minerals in the civilian diet.
"Unfortunately," said the Senator, "the shelves of our grocery stores throughout the nation are entirely too empty of essential foods containing the necessary vitamins and minerals. Government agencies should take immediate steps to make more of these foods as well as synthetic vitamins available through grocery store outlets."
"Vitamin concentrates costing millions of dollars were shipped to our British and Russian allies under Lease-Lend because these countries appreciate their importance in bolstering the health, stamina and vitality of their people."
"Approximately 200 processed foods, including butter, cheese, heavy cream and meats, have been or are in the process of being rationed," said the Senator.
In view of this, and attendant scarcities, the Senator said, it is the duty of the government to supply adequate substitutes, either real or synthetic, for the dietary deficiencies that are certain to develop.
To me, all this is important because so far as I know it is the first public warning from a person in authority that the nation may be in for serious dietary troubles.
One point the Department of Agriculture has repeatedly made is that nobody in this country is going to starve or even go hungry.
Not for a minute has there been any occasion to doubt that statement. Up to now (and for the near future) the nutritionists haven't had a hard time of it but there is reason to believe that some of them are worried about what's ahead.
A FEW agricultural experts who are doing their best to keep up with the kaleidoscopic farm situation admit this: that feeding 130,000,000 million people in this country and our Lease-Lend allies is a combination of so many problems that it could get out of hand in a few weeks or a few months.
One expert recently testified before a Senate committee that if something isn't done immediately to raise the price of milk, the nation's highways will be lined with dairy cows being driven to market.
It's that sort of thing that has Agriculture and the OPA turning handsprings. A great deal this year could hang on those Victory Gardens. They will be much more important than the unsuccessful attempt at hoeing up the backyard in World War I.

Hollywood Gossip
By ROBBIN COONS
HOLLYWOOD—It was a happy day for the Cagney boys.
There was Bill, the younger, sitting broad and grinning in a big leather chair behind a glass-topped desk. There was Jimmy, sprawled on the leather divan, winking at Bill now and then while they exchanged jibes with each other and John Van Druten, the writer.
Such elegance. An executive suite at United Artists. Heavy ashtrays on the desk, leather upholstery, deep carpet—and the red-headed Cagneys in full command.
"YOU think this is swank?" Bill asked me. "You ever been in Hal Wallis'?" You ever been in Jack Warner's? Jack Warner's got modernist statues all around, and airplane models that zoom down from the ceiling, and—
To confuse the actors?
"When they come in for a raise," said Bill. "They get fascinated and forget what they came for."
"We got a conference room too," said Jimmy, pointing through a door.
They have. A regulation conference room, complete with center table, and all the furniture covered with Jimmy's cast-off sweat-shirt, trunks, and other athletic impedimenta.
Thus Cagney Productions, Inc., was under way. Bill is president and producer. Jimmy is vice-president and star. As producer and star respectively of "Yankee Doodle Dandy," they hauled stakes from Warner Bros. in a blaze of glory.
"We're the happiness boys," said Bill. "We're the Happy Company, aren't we boys?"
"Yeah," said Jimmy. "Bill's so happy that when I come in in the morning I always say what's-the-matter? It's the script, he says. John there has found something that needs fixing. John's can hang to the ground. So does Bill's. Then they fix it up, and they're the happiness boys again—for a couple of minutes."
The script is "McLeod's Folly." From a yarn by Louis Bromfield. It's different, they say, from anything Jimmy has done before. He isn't a tough guy, nor a public enemy. He doesn't get framed into a prison site mill where each dawn he dies, he doesn't fall for a strawberry blonde, and he doesn't win any wars.
"We wanted something different," said Bill. From what they say, they've found it. Jimmy plays a tramp reporter (circa 1905) who wanders into a small town newspaper fight.
I noted that their script, pages of which were spread on Bill's desk, was in various colors like any big studio's but there was still something missing. How about a coat-of-arms, a trademark, like M-G-M's Leo, RKO's radio tower, U's globe, Wanger's eagle?
"How about," asked the amiable Van Druten, "an elevator—permanently stalled on the ground floor?"
The Happy Company howled. The Cagney boys, after so, so long at Warner's, are going to have more fun.

Mrs. Beckley Named Art Department Head

Following a well attended luncheon at the Woman's Club Monday afternoon, members of the Art Department held their annual business session and elected Mrs. Clarence Beckley chairman for the coming year.

Mrs. J. E. Baldwin, retiring chairman, conducted the meeting, when Mrs. H. L. Banghart, nominating committee chairman, presented the following slate for election:

President, Mrs. Beckley; vice president, Mrs. J. L. Hunter; secretary, Mrs. Frank A. Wood. Mrs. A. C. Flick, Jr., made announcement of the program for Literature Department meeting next Monday, in the form of "Book Briefs" by Mrs. Robert Israel.

Yesterdays program was a most interesting history and description of the art of lace making, given and illustrated with slides by Mrs. W. N. Hutchings.

FAREWELL EVENT

Elmer Danielson, who leaves tomorrow morning for military service, was honored guest at a party given by his mother and family at his home on Monday. A patriotic thought was carried out in luncheon decorations and a gift of money was presented him by the following:

Mr. and Mrs. Ed Danielson, Mr. and Mrs. Arvid Danielson and daughters, Jean, Ruth and Virginia, Mr. and Mrs. Arthur Anderson and daughter, Rachel, Mr. and Mrs. Milton Danielson, Mr. and Mrs. Alfred Danielson and son, Stanley, Mr. and Mrs. Guy Danielson and sons, Dudley and Freddie, Laverne Mathis, Mrs. Jennie Danielson, Mr. and Mrs. Ray Danielson.

The honored guest was also remembered by Sunday school officers and teachers of the Calvary Baptist church with a gathering held recently at the home of Mr. and Mrs. James Holmberg, Prospect street.

FAREWELL PARTY

Mrs. Leidy M. Williams, 306 Frank street, entertained at her home with a farewell party honoring her sister, Miss Lois Retterer, who left yesterday for Fort Oglethorpe. Assisting hostesses were Mrs. Paul Johnson and Mrs. Woodrow Jensen. Prizes for a pleasant evening of games went to Mrs. Philip Smith, North Warren; Miss Dolly Johnson, Stoneham. Other guests were Mrs. William Wright and Mrs. Catherine Cottillon. Lunch was served and Miss Retterer was presented a purse of money from the group.

Miss Retterer and Miss Helen Stroupe, who also left yesterday for the WAAC training center, were honored previously by fellow employees of the New Process Company and were presented with handsome traveling cases.

PUBLIC CARD PARTY

Plans are all complete for the pre-Lenten public card party to be held Wednesday evening in the Holy Redeemer hall, when play will start promptly at eight o'clock. The public is cordially invited to participate for prizes in contract and auction bridge, five hundred and a series of games. The committee takes this opportunity of thanking the Great Atlantic and Pacific Tea Company, New Process, Kinnear's, Printz and Angie's Beauty Salon for their kind cooperation.

WBA SUPPER-MEETING

Review No. 4, WBA, will meet in the S. F. of A. lodge rooms at eight o'clock Thursday evening, following a thirteen supper at six o'clock. Members are asked to bring cookies or candy for boxes to be sent to boys in service and mothers having special gifts they would like included are asked to bring these also.

All officers and the members of the guard team are asked to turn out at four o'clock for a practice session.

LADIES' AID SOCIETY

The Ladies' Aid of the Emanuel Evangelical and Reformed church will hold its monthly meeting at the home of Mrs. F. Stigelmier, Swiss street, at two o'clock Thursday afternoon and all members are cordially invited.

MIRIAM SOCIETY

The Miriam Missionary Society will meet at St. Paul's Lutheran church at 2:30 p. m. Thursday, entertained by Mrs. Robert Simpson, Mrs. Albin Hultberg, Mrs. Albert Morine and Mrs. O. B. Stromdahl.

PHILOMEL MEMBERS ASKED TO MEETING

All active and associate members of the Philomel Club are asked by the president, Mrs. Allie Russell, to attend the business meeting to be held at the clubhouse at 2:30 o'clock Wednesday afternoon. There will be important business to be transacted and all members will vote on the questions.

Chinese First Lady is Subject of Program

There is considerable local interest being manifested in a special program to be presented in the Russell Methodist church Wednesday afternoon to honor Madame Chiang Kai-Shek, since Mrs. David O. May, wife of the minister, attended Wellesley College with Mrs. Chiang.

Mrs. May is heading the committee on arrangements for this service, which is built about the theme of the Christian home of the Soong family and the influence of Methodist missions on life in present day China.

Assisting in the three-part program will be Mrs. Daniel Houghwot and Mrs. Edward McJunkin.

All women of the community are most cordially invited to attend and learn more about this remarkable Chinese family and Mrs. Chiang, outstanding female figure in international affairs of the present day.

Social Events

AT HOME STREET

Home Street School Mothers' Club members held their regular session in the school building last evening, with Mrs. Paul Olson conducting devotions. Because of the illness of the speaker, Rose Sigworth, a change was made in program plans and members were entertained with travel movies shown by Ellsworth Wright. Refreshments were served by Mrs. Richard Thomas and her committee.

CROSS-WOLCOTT RITES ANNOUNCED

Mr. and Mrs. F. L. Wolcott, of Eldred, have announced the marriage of their daughter, Mary Alberta, to Arthur E. Cross, of Warren, son of John Cross, of Bruin, Pa. The ceremony took place February 20 in the rectory of St. Raphael's church at Eldred, Father C. J. Liebel officiating, and the couple have taken up residence here.

DUPLICATE GAME

D. A. Scallie, well known bridge tourney director, will conduct a special duplicate game for the public card party to be held Friday evening in St. Joseph's hall. This will be in addition to competition for prizes in five hundred, auction and contract bridge. A large attendance is anticipated for this parish pre-Lenten affair.

HOSPITAL AUXILIARY

Warren General Hospital Auxiliary members will hold their monthly business and work meeting in the auxiliary room of the maternity building at 1:30 p. m. Friday and ask all friends to join them for a great amount of sewing to be done.

GLADE UNION

Glade WCTU members held their regular meeting at the home of Mrs. Anna Coppenhoefer, 17 Park-er street, with the president, Mrs. Lucy Whitney, conducting the business session and the study topic, "Looking Forward". Devotions were in charge of Mrs. Bessie Walters, with prayers offered by Mrs. Pearl Jones, Mrs. Elma Nelson and Mrs. Ellen Anderson. Readings and poems were given by Mrs. Mathilda Hornstrom, Mrs. Ethel Summerville, Mrs. Yvonne Richard and Mrs. Parepa. Wholeben. The session closed with the benediction and the hostess served refreshments for a pleasant social hour.

Home-made tubeless tires may work temporarily but will lead to early ply separation. Carcasses now in use were not designed to hold air without a tube and pressure forces air into the carcass, causing early separation.

Butter-Krusts And Blomquists Go Into First With Wins

Bloms Take Thriller From Rocks At 26-25 Krusts Beat Struthers

The most exciting game of the year was played last night on the YMCA Gym as the Rock Cleaners and Blomquists Furniture battled evenly for four of the fastest periods of the year and then found the Cleaners out on the short end by 26-25.

All the way through, from the time the Bloms scored first on "Stringy" Hubbs' foul pointer to the final bucket with ten seconds to go, it nearly raised the roof as Tink Wolfe evened it up on a lay-up, followed by Johnny Pawk's long pop, while Johnny Pick of the Bloms added another foul and Mike Bleech tossed a one-hander to end a fast first stanza at 4-4.

The two teams battled hard for the lead in the second frame, but the Rock managed to take out a one-point advantage and go ahead at half-time by 12-12 as Tink Wolfe, Buck Samuelson and Willard Zerbe did the tossing for the Rocks and Louis Check, Hubbs and Bleech helping the Bloms along.

The third quarter was all-Rocks as they doubled the scoring on the Bloms for the period and it finally looked like they were going to take the rap, as the score at end of the session read 19-15.

Then the heated fray really took on a glow as the two teams finally raked up evenly and a tie resulted, but Louis Check sunk a foul to go ahead at 20-19. Then Buck Samuelson sunk one for the Rocks—Bob Lunquist sunk a long one to lead again. But Johnny Pawk did it with a long-shot to lead for the Rocks so Louis Check came through with one of his specials from way-out—to lead for the Bloms. Then with 40 seconds to go, Willard Zerbe dropped one "from a three-quarter length" and it looked like the game—But just as the whistle was about to blow, "Bud" Matthews came through and pushed in a one-hander for his only counter and the ball game at 26-25, as the Blomquists took over the lead of the Monday circuit in the fastest game of the season.

The first game was an upset of the first water as the Butter Krusts, undisputed cellar dwellers grabbed off a couple of high school varsity men and sank the Struthers Wells to go into tie for first place, behind a barrage of points with Bob Peterson of the Dragons doing the most of the accurate tossing with 12 points.

The bakery scored evenly with the Struthers-Wells crew in the first stanza at 3-3, and then led down a lead in the second to nose out at the half at 10-5 with Marty Carlson and Bob Hasen sinking their share for the Bakery five.

The third period found the Butter-Krusts climbing the count and coming into a tie at 23 up at the end, as Bobby Caldwell tried hard with a couple of baskets and fouls to keep at the lead, but Jack Flick found range for the Krusts to make it even.

Then the fourth session turned one into the victory bag for the Bakery as all on the team shared in fast passing and they took over the helm with a five point lead and stuck to it to come out victorious at 32-27 for the first win of the year.

Covering the Sports Front

—WITH—
"BOB" JOHNSON

Had a letter from Bob Valone down at Fort McClellan and he mentions Joe Fazio and his continuation of boxing now that he's in the army—and described one of his fights.

Joe did a lot of boxing around here for a few years—until that sport faded out as an attraction—and he made good all over the state—getting quite a name for himself.

Pvt. Joe as the handle reads now is instructing down at that camp—the art of self-defense—and he toughens the boys up so much that he gets right into the exercises himself—so he came to such a peak of condition that the company commander arranged a bout for him.

About 3000 soldiers showed up for it and all the officers the unit had come right along—plus a band for the event.

Well Joe sailed right into that fellow, John Lopez of New York City—and landed the first blow which set the lightweight right on his backside—and he was saved by the bell—The bout went on—

It lasted nearly to the limit and Fazio had his opponent on the canvas several times—Then finally planted a hay-maker that planted Lopez for good and the crowd nearly tore down the gym—what with pay envelopes floating all over—Joe's a hero to the battalion now—because he's the only fighter to win a bout out of the bunch and because he's a swell guy—

Joe can really teach those boys if they're willing to learn and if we know Joe—they are—

The Bradford paper mentions that the Dragons held the Owls to 8-8 in the fourth quarter the other night all because the Bradford Seconds went in to finish off the job—Let's see—Dudy Frisini, Peckham, Whitford, Lloyd and McCullough all stayed in there—Sounds like a pretty good second team doesn't it?—At least all of them have been starting every game this year—But maybe we're wrong—This corner has yet to see an outfit from there trying to let down so it wouldn't look so bad—

That newest of new ruling banning baseball busses from operating ought to see several more teams hitting the folks now—Lippy Leo Durocher failed to pass his army examination because of a broken ear drum—Guess one of the umpires he used to spit the words at could yell just about twice as loud—Or maybe there was an echo—Lyken High goes into the playoffs soon and is coached by a woman—Which is probably the reason she's winning—Pennsylvania hunters are assured of another season at least when the State decided to issue shells to them—It would be unfair to let shell hoarders hunt and not the rest this year—is the reason—and that's pretty good too—

High School Cage Champions To Be Decided on March 27

Harrisburg, March 2—(P)—The state's 1943 basketball championship will be decided March 27, the Pennsylvania Interscholastic Athletic Association announced today.

Eastern and western finalists will be determined in regional playoffs March 23. Interdistrict games will be held March 16 and preliminary regional contests March 20.

Both Lower Merion, last year's champion, and Sharon, last year's runner-up, are contenders in district playoffs.

Elimination playoffs in some districts have begun with "interest in the school boys' court games increasing," declared Edmund Wicht, PIAA executive secretary.

Because of transportation problems and the inability of spectators to attend games, Wicht said, some districts have scheduled contests on home floors although in other years neutral courts were sought for playoffs.

In interdistrict games in the east, the district three champion

will meet that of District 11 and the District two victor hat of District 12, byes going to champions of districts one and four.

In the west, the District nine champion will meet that of District ten and the District five victor that of District six, champions of Districts seven and eight receiving byes.

Winners of the district five-eleven and district two-twelve playoffs will meet for the A-2 preliminary eastern regional championship, while the champions of district four and one will play for the A-1 preliminary title, the victors of these playoffs meeting to decide the final eastern regional championship.

In the west, winners of District five-six and District nine-ten contests will play for the B-2 preliminary western regional title, while the victors in District seven and District eight will meet to decide B-1 preliminary title, winners in these playoffs meeting to decide the final western regional championship.

CHARLEY ROOT TAKES OVER MANAGER'S POST

Hollywood, Calif., March 2—(P)—Charley Root, veteran right-hand pitcher, is new manager of the Hollywood Stars of the Pacific Coast League, signing a one-year contract at an undisclosed salary.

He succeeds Oscar Vitt, former Cleveland manager, released for economy—in favor of a playing manager. Root, with the Chicago Cubs 16 years, played with the Stars last season.

First Yankees In Training In St. Petersburg

St. Petersburg, Fla., March 2—(P)—The late Miller Huggins wouldn't have recognized the opening drills on the expansive, modern baseball park named in his honor by the New York Yankees.

It was wartime training as Scout Johnny Nee, sporting a \$5 catcher's mitt, the best he could locate, handled the offerings of Spurgeon Chandler and Johnny Murphy, while a third Yankee pitcher, Atley Donald, was "bench-ed" because his equipment had not arrived from New York.

"The arm feels mighty good," said Chandler, who is in pretty good shape already after a winter of golfing and fishing.

Murphy also has been playing golf, but Donald has had little exercise since the 1942 season closed. He promised to be out for the next practice if he had to borrow a uniform and shoes.

The trio of pitchers received permission to hold preliminary workouts here before reporting at Asbury Park, N. J. March 15, for the opening of the official training season.

LUDLOW

Ludlow, Feb. 24.—Mrs. Axel Nelson celebrated her birthday by entertaining the following ladies at her home last Thursday evening: Mrs. C. W. Swanson, Mrs. Arthur Christenson, Mrs. Albert Bronstom, Mrs. Gust Carlson, Mrs. Victor Berquist, Mrs. Jennie Benson of Youngville, and Mrs. C. Anderson of Warren.

Mrs. Algot Swanson entertained the members of her bridge club at a chili supper last Thursday evening. Bridge was played and prizes won by Mrs. Leroy Johnson, and Mrs. Homer Gilfert.

The Tuesday study club met at the home of Mrs. Wilbur Johnson on February 23rd. A paper on "Trees" was presented by Mrs. Emil Nelson. Refreshments were served by the hostess.

The office of the Ludlow Chapter of the American Red Cross, met at the home of Adolph Johnson, chairman, to make final plans for the Red Cross drive which started March 1st.

The regular monthly meeting of the Wildcat Park Auxiliary was held in the Red Cross rooms on Tuesday evening. Mrs. Albert Carlson, President, presided at the regular business meeting, and in the absence of the regular secretary, Mrs. Robert Wenstran read the minutes of the previous meeting. Several letters were read from Ludlow boys who are now in the service, thanking the Auxiliary for the boxes of cookies the members had sent them.

It was decided at the meeting, that inasmuch as it will be impossible to send boxes of cookies to the boys who are overseas, that they will be sent the equivalent in money, but that the practice of sending the boxes to the boys who are still in this country will be continued. Miss Tillie Olson, read several interesting letters from her sister, Lt. Ellen Olson, who is now on duty with the armed forces somewhere overseas. The balance of the evening was spent in sewing for the Red Cross. Announcement was made that there would not be any meeting held in the month of March. The committee for the evening was: Mrs. E. F. Huber, chairman, Mrs. John G. Johnson, Mrs. Adolph Johnson, Mrs. Leroy Johnson, and Miss Myrtle Johnson.

Wallace Hanson and Julia Swanson of Meadville, spent the weekend with their families, returning Monday morning.

Miss Marie Nelson returned to her work as beauty operator in Bradford, after having spent the week convalescing at her home.

Lt. Leo Morelli spent the weekend at the home of his mother, Mrs. Elizabeth Morelli.

Mr. and Mrs. E. F. Huber spent Sunday and Washington's birthday at the home of Mrs. Huber's sister, Mrs. C. H. Gardner, in Union City.

Mr. and Mrs. Sherman Mattison were Warren visitors on Tuesday evening.

The Red Cross committee in charge of sewing, has announced that since the all-day sewing sessions at the Red Cross rooms have met with such success, that another all-day session will be held on Thursday February 25th. A luncheon will be served, and all those attending are expected to bring a turkey.

Mrs. C. H. Gardner of Union City arrived in Ludlow on Wednesday evening to spend a few days at the home of Mr. and Mrs. E. F. Huber.

Pvt. Steve Turay, who has been spending a furlough at the home of his father Alex Turay, will return to his duties at the 42nd Repair Sgdr. Air Depot Training Station, at Albuquerque, N. M., on Thursday.

LANDER

Lander, Feb. 25.—The local Sunday school contest party was held at the Community House on Thursday evening. The winning side, whose captain was Myron Ludwick was entertained by the losers, captain Miss Neva Mills. A program of music, songs and contests was announced by Mrs. Rev. William Fuller. Later a delicious luncheon supper was served to over one hundred members.

The local Methodist church observed Layman Sunday on Feb. 21st. Those assisting in the program were H. M. Nelson, acting as chairman, H. W. Mahan, Donald Mills, Ernest Lindell, Mrs. Mildred Swanson and Mrs. Viola Firth, in addition to the pastor Rev. William Fuller.

Sunday guests of Miss Mae Bishop were W. B. Philo of James

town and William Philo Jr. of Buffalo.

Howard Lindell of Buffalo spent Sunday with his parents Mr. and Mrs. R. E. Lindell.

Lawrence Orner spent last week with his family in Bloomsburg, Pa. His son William Orner, who is on a ten day furlough from Camp Wheeler, Georgia returned with him for a few days visit.

Mr. and Mrs. Fred Putnam and family of Reynoldsville, Pa., spent the week end with his parents, Mr. and Mrs. C. A. Putnam.

The Foster Cemetery Society met at the home of Mrs. Clara Burgett on Thursday afternoon. The president, Mrs. Lucy Lindell presided at the business session. Mrs. Doris Stanton acted as secretary in her absence. Work at

the cemetery the coming year was discussed. The time was spent in sewing. There will be no meeting in March. Mrs. Burgett served lunch assisted by Mrs. Edna Burgett.

Mrs. Verna Venman, who has been at the home of her sister, Mrs. Leah Hale was moved to her home on Monday. Mr. Venman's sister, Mrs. Elsie Venman, is caring for her.

Miss Neva Mill is employed at the New Process Company in Warren.

Jay Hinsdale and R. E. Lindell had the luck to catch a 57 lb. beaver from the dam located on Mr. Lindell's property during the recent season.

If synthetic rubber plants are not completed on schedule, the rubber stock pile may fall below the critical figure of 120,000 tons in the fall of this year.

State Budget is Slashed to \$472,457,692

(From Page One) lief; \$34,000,000 in the motor license fund; \$4,800,000 in sinking fund requirements, and \$945,000 in the revenue department.

He refused to appropriate any funds for the Republican-controlled Joint State Government Commission, research agency of the legislature; but provided more funds for the Bureau of Vital Statistics and increased road maintenance funds from \$39,908,000 to \$50,300,000.

Martin warned that a special legislative session may be necessary to cope with fiscal tangles of the future. He cited war-time uncertainties pertaining to expected revenues and expenditures.

His other recommendations included: An act to permit the State Defense Council to assist venereal disease control.

A change in the relief system to allow the counties to have full control of administration of unemployment relief and share costs of other types of assistance.

Careful consideration of school laws—enacted in 1937 and taking effect in 1941—which "are responsible" for increased costs.

Bad Weather Helps Shield Jap Convoy

(From Page One) Allied airmen were poised for a blow at the Japanese force and awaited only clearing skies, but the communique indicated the enemy had chosen his weather shrewdly, reporting the ships were "moving under cover of an advancing weather front."

The convoy's appearance followed closely General MacArthur's warning Monday that the Japanese were concentrating large quantities of men, shipping and planes in the islands north of Australia, either for an offensive smash at the island continent or in anticipation of a new blow from Allied forces.

While Allied airmen waited for a crack at the convoy they continued to batter at Japanese ships, airmen and supply lines over a wide area.

Heavy bombers attacked a concentration of Japanese shipping in the harbor of Waingapoe, on the island of Soemba, northwest of Japanese-occupied Timor.

In New Guinea heavy bombers raided the airfield at Alexishafen while attack planes bombed and strafed trails near Salamaua.

At the mouth of the Waria river, south of Salamaua, Allied ground patrols surprised and destroyed four large barges, the communique said.

Health of Nation Threatened by "Black Market" in Meats

(From Page One) used to have a low commercial value.

"But now," Casey wrote La Roe, "that the cattle have been permitted to advance in price without a ceiling the commercial value of these diseased animals is so great that unlicensed bootleggers are buying them from the farmers before inspection time."

Martin Draws Mixed Comment From Lawmakers at Capital

Harrisburg, Mar. 2.—(P)—Praise from Republican legislative leaders and cautious comment from Democrats followed Governor Martin's budget proposal for a \$147,000,000 cut in state operating costs and a \$41,000,000 tax reduction in the two-year period starting June 1.

A fine message, showing the soundness of the financial structure of Pennsylvania at this time," commented Franklin H. Lichtenwalter, house Republican leader.

But Rep. Reuben E. Cohen, Democratic leader, said the budget "will be put under careful scrutiny to determine whether there has been a proper reduction of taxes

and whether the whole people will benefit therefrom."

Charles H. Ealy, Republican president pro tempore of the senate, declared "it is high time for those in authority to caution people that financial joy-riding must stop."

"It was a very fair presentation by the governor of his views on the budget," Senator B. E. McGinnis, Democratic floor leader, said, adding tax reduction "is a very difficult question since future revenues are uncertain."

Democratic State Chairman David L. Lawrence said "I heard his speech but I'll have to read the budget before I comment."

(From Page One) state for air, declared. Thousands of tons of bombs were crashed on the German capital in a half-hour's time, it was disclosed.

The communique said that Britain's biggest bombers—Lancasters, Halifaxes and Stirlings—took part in the raid.

British planes also carried out intruder patrols over occupied France and laid mines in enemy waters, the communique reported. It was the RAF's sixth successive night foray over the continent.

German broadcasts acknowledged that fires were started in the Nazi capital and reported that "a large number" of British planes were shot down by night fighters and anti-aircraft defenses, indicating the attack was made in force.

Last night's raid provided a smashing follow-up to Sunday night's devastating assault on the German submarine base at St. Nazaire, on which British and Canadian airmen unloaded more than 1,600 tons of explosives.

The scope of this offensive was emphasized last night by Prime Minister Churchill when he sent a congratulatory message to Air Marshal Sir Arthur Harris in which he disclosed that the RAF had dropped more bombs on Europe in February than in any previous month of the war.

BY JOHN M. HIGHTOWER

Washington, March 2.—(P)—Navy Secretary Knox questioned today whether aerial bombings of German submarine bases along the northern coast of France were doing direct damage to the U-boats held up there between forays into the Atlantic.

Knox, estimating that the enemy had 300 to 400 submarines, presently available, told a press conference he was unable to say how effective the bombing attacks were "in direct hits" and emphasized that "some of the stalls (in which the submarines are kept are heavily protected."

Hurri-bombers and Spitfires continued attacks on enemy vehicles in the northern sector of the Tunisian battleline yesterday while medium bombers raided Mateur, south of Bizerte.

In the flying fortress raids on Palermo, the war bulletin said, "many bombs were seen to burst in the harbor area and several ships were hit."

In all, it announced, 25 enemy aircraft were destroyed yesterday and two Sunday night while only four Allied aircraft were missing.
